HISTORY OF THE PORTAGE COUNTY FAIR ASSOCIATION

The first Portage County Fair Association was organized in 1869, and the first fair was held the same year.

The Portage County Fair was held at Amherst continuously from 1869 to 1917. In 1917, the officers of the association voted not to hold the 50th Fair that year (1918) but to have a big homecoming affair, because many of the boys were in World War I service. Later that year the state legislature passed a law which discontinued state aid to fairs not operating in 1918 and this forced the closing of the Portage County Fair.

Subsequently, the Portage County Advancement Association was organized, shares were sold and a cattle barn was erected. For a number of years annual cattle sales were held on the fairgrounds. With the coming of the depression years in the 1930's, these cattle sales were discontinued.

In 1949 the Amherst Lion's Club and local business people revived the fair. In 1950 the new Portage County Fair Association was formed and took over the management to make the fair an annual event.

The Fair, as originally founded, was intended to serve the community by way of fostering and promoting the interests of youth in 4-H and FFA programs. It was intended that the youth of the community and surrounding area should have an opportunity to exhibit agricultural skills and compete for prizes, trophies, and recognition, all under the guidance of qualified 4-H and FFA leaders. The Fair itself, running for three full days, is the culmination of hard work on the part of leaders and youth and months of work and study. The Fair today, while having far outgrown its original size and number of participants, adheres to its original objectives and philosophies. The Portage County Fair of Amherst remains, basically, a 4-H and FFA event.

The Portage County Fair Association is a non-profit organization, serving the community and surrounding area.

The Portage County Fair Association holds annual meetings and is served by an elected Board of Directors and officers. Monthly meetings are held on the first Monday of each month at 7:00 P.M. The public is always welcome to attend these meetings.

The Portage County Fair Association particularly emphasizes and recognizes the effort and talents of the many people in the community and area who contribute so much to make the Fair a success year after year. It is too difficult to single out individuals and we would hesitate in so doing for fear of not recognizing deserving people regardless of whom they may be. A "Man or Woman of the Year" award has been given over the years, but this is not a mandatory event. In fact, at

least one most deserving individual has refused such recognition.

Business people contribute much in the way of advertising support. Dominant organizations would and should include 4-H, FFA, The Tomorrow River Lions, The Amherst Women's Club, The Amherst Garden Club, The Hobby-Lobby Group, The Amherst Boots and Saddle Club, and the Tomorrow River Conservation Club. Many area people are in one or more of these organizations.

Because the Fair Association is a non-profit organization, any income over and above expenses is funneled back into the association for improvements in buildings, grounds, sanitation, and safety. This dedication and purpose has made our facilities what they are today, one of the best in the state. Again, our people and the community can take great pride in our facilities. Continued improvements will be made in the years ahead.

The Amherst Fair officially opens at 6 p.m. on the Thursday prior to the third weekend in July and closes on the following Sunday at midnight.

HISTORY OF THE ROSHOLT COMMUNITY FAIR ASSOCIATION

The forerunner of the Portage County Fair at Rosholt began on Labor Day weekend of 1920. At that time, patrons knew the gathering as the Farmers-Merchants Picnic and, as would become staple at the Rosholt event, the admission and entertainment was free of charge. The Rosholt community held the initial festival on the current fairgrounds, which village founder J.G. Rosholt donated for the purpose. Throughout the 1920s, both merchants and farmers were encouraged to ply their trade for the picnickers. The early picnics, like the later fairs, offered a wide variety of entertainment for all the patrons. This

included baseball games between local teams and presentations by various speakers as well as music. Beginning in 1923 the picnic became the "Rosholt Community Fair" and expanded to two days of operation. The early fair was once again a unique blend of agriculture, commerce, education, and leisure and this combination of events began helping draw larger and larger crowds to the fair. In 1926, the Village of Rosholt built a 60 by 120 foot larger exposition hall, complete with stage.

In 1927, the City of Stevens Point vacated their position as the home of the County Fair. Thus, at some point in the early part of 1929, after a year without a county fair, the organizers of the Rosholt Community Fair petitioned the County Board of Supervisors to move the County Fair to Rosholt. Consequently, one month before the official start of the Great Depression, the Village of Rosholt hosted its first Portage County Fair.

During the economic hardships of the Great Depression, the Portage County Fair at Rosholt provided residents with cheap entertainment throughout the decade. During the 1930s, the fair featured increased 4-H participation, winning baseball, amateur and professional music, and later, a lecture program that provided an opportunity for fair patrons to learn self-help strategies from government officials. From the earliest days of the Farmers-Merchants Picnic, a large part of the program at the "Rosholt Fair" has been 4-H participation. This was no different in the 1930s. During that period, 4-H participation from area clubs grew every year and even expanded to include categories for homemaking and a dress show.

In the immediate post war period between 1945-1949, the Portage County Fair went through the most prosperous period in its history. During this period, the fair drew 132,500 people with a five-year average of 33,125. In 1948, as part of the state centennial celebration, a log cabin built in 1881 in the town of Alban, was transported to the Rosholt Fair grounds to become part of the newest addition to the fair, the Pioneer Museum. The cabin was furnished with period tools and furniture and quickly became one of the key attractions of the fair.

The 1950s brought the addition of a parade to the fair. The first parade was staged in 1956 and featured floats from Rosholt, Iola, and Amherst; area 4-H clubs, the Rosholt High School Band, other bands from the vicinity as well as marchers from the American Legion and Auxiliary of Rosholt. In 1955, Malcolm Rosholt, with financial help from the State Bank of Rosholt, brought a second cabin to the Pioneer Museum. This cabin, built in the late 1860s or early 1870s and constructed from pine logs, was a typical example of cabins in the Portage County area at the time.

The decade of the 1960s was no different. Throughout the decade, entries in the different agricultural areas continued to grow. In addition, to the continued growth in traditional categories, the decade also brought the introduction of horses to the 4-H program at the fair and the elimination of the open category for adults. Finally, in 1963, the Rosholt Fair Association added the Garfield School to the Pioneer Museum. Originally, the one room school resided in the Town of New Hope and was in operation from 1881-1956.

In 1970, the fair association added a new metal animal exhibition building, the Pinkerton Building, next to the ball diamond. During the 1970s, the fair at Rosholt became a four day event. Finally, the 1970s saw the beginning of one of the largest draws at the Official Portage County Fair, the demolition derby.

An auction of swine, sheep and beef raised by 4-H and FFA members began in 1980. The fair programs of the 1980s also saw a returned emphasis on the use of the fair as an advertising tool by local businesses. This dynamic, along with the midway, ball games, food, and music helped to maintain a family atmosphere as the fair moved into the 1990s.

By the mid 2000s, the exhibit building, originally built in 1926, had begun to show its age. A major building renovation began in 2009 which included replacing all the windows, replacing the roof and adding a new fair office and restrooms to the existing structure. Since that time, almost every inch of the fair park has received some form of attention. This included a complete reworking of the utilities and the infrastructure of the park. The demolition derby area was replaced with a larger track. Gagas Farms helped to replace the tractor pull area and donated a new small animal building for use during the fair. A group of individuals with strong ties to the game of baseball in Rosholt also worked hard to renovate the ballpark on the fairgrounds. Lights were installed to allow for evening games and improvements were made to the field surface. In 2011, a new grandstand was completed and in 2012, a press box was added. In addition, volunteers worked together to improve the buildings and displays in the Pioneer Museum. All these improvements would not have been possible without the generous donations of supplies and labor by many individuals, organizations and businesses throughout Portage County.

GENERAL RULES AND REGULATIONS

1. **Eligibility:** Any youth who is currently enrolled in good standing in a 4-H club, all Agri-Science and Family and Consumer Education students and members of any other recognized youth organization which has adult leadership and an approved educational program, in the locations specified below, is eligible to exhibit at the fair.

Amherst Fair - Entries are open to any youth enrolled in a Portage County youth organization or living in the towns of Scandinavia, Iola, and Farmington in Waupaca County.

Rosholt Fair - Entries are open to any youth enrolled in a Portage County youth organization or living in the towns of Franzen and Bevent in Marathon County, who have not exhibited at any other state aid fair. (The Amherst Fair does not receive state aid.)

2. **Exhibitors** MUST be in Grades 3 through 1 year beyond high school graduation (maximum age of 19 as of December 31st of the enrollment year), except for 4-H Cloverbuds who may be between 5K (five-year-old Kindergarten) and 2nd Grade. Cloverbuds are limited to exhibiting entries from Department 17-J, Class B, Cloverbuds. When reference is made to the grade of an exhibitor, the grade of the exhibitor as of January 1st of the exhibit year is the grade to be considered.
3. **Exhibits:** All exhibits must be the result of a project carried by the youth during the current organizational year unless otherwise specified in the fairbook. FFA, FCCLA, scouts, or other recognized youth organizations may only exhibit items created/grown by themselves in curriculum taught by their specific youth organization. All exhibits MUST be prepared by the exhibitor for the fair. Proof of this fact may be requested if any exhibits are questioned. Exhibits may be ruled out of competition by the Youth Exhibit Committee if proof is not satisfactory.
4. **Fair Entries:** Eligible youth will use the online FairEntry system to sign up for fair exhibits. Access this program by going to <http://amherst.fairentry.com> for Amherst Fair entries and <http://rosholt.fairentry.com> for Rosholt Fair entries.

Exhibitors may not enter more than one item in any one premium/lot number unless specified otherwise in the fair book.

Youth exhibiting beef, sheep and swine at the Rosholt Fair and swine at the Amherst Fair must have completed the Youth for the Quality Care of Animals (YQCA) certification program within the last 12 months. YQCA certification number must be entered in the FairEntry system.

Premise ID numbers must be entered in the FairEntry system when exhibiting cattle, swine, poultry, pigeons,

sheep, goats and horses. Additional information about premise registration can be found at www.wiwd.org.

By completing an electronic FairEntry, any person entering exhibits agrees to abide by the rules and regulations relative to entries, exhibits, judging, payment of premiums and general conduct at the fair. (*Refer to Code of Conduct on page 5 of this fairbook.*)

5. **Amherst Fair** – All entries are due to be entered into the Amherst FairEntry system by the end of the day on June 2nd.
Rosholt Fair – All entries are due to be entered into the Rosholt FairEntry system by the end of the day on August 1st.
6. **Late entries** will not be accepted. No additional entries may be made at the fair on entry day. Entries may be deleted, but they may not be added. Mistakes made by the exhibitor on the original FairEntry will result in that entry being shown under the lot number in which it was entered. The judge has the right to refuse to evaluate the exhibit.
7. **Entry Fee:** No entry fee or rental is charged to junior exhibitors.
8. **Fair Passes:** **Amherst Fair**-Youth, age 13 and older, exhibiting animals that remain on the fairgrounds for the entire weekend of the Amherst Fair will receive a pass/wristband when they bring in their animal exhibit. Youth 12 and under are free. **Rosholt Fair**-Every exhibitor age 12 & older will receive a wristband. Youth 11 & under are free.
9. Cattle, horses, swine, sheep, goats, dogs, cats, poultry, rabbits and alpacas MUST have been **owned** or **managed** by the exhibitor for a minimum of 90 days prior to the fair, with the exception of spring dairy calves, lambs and junior doe goats which are less than 4 months old. Proof of this fact may be requested if any exhibits are questioned. Exhibits may be ruled out of competition by the Youth Exhibit Committee if proof is not satisfactory.

“**Owned**” is defined as being owned by the exhibitor or the persons who live at the exhibitor’s primary place of residence (includes partnerships).

“**Managed**” is defined as having an approved Portage County Managerial Agreement on file in the 4-H office at least 90 days prior to the date of the fair for the animal(s) specified on the agreement.
10. **Animal Health:** All animal exhibits MUST comply with the Wisconsin County, District and State Fairs Animal Health Rules and Regulations listed in this fair book. All health papers for large animals and poultry (blood test reports and health certificates) MUST be turned in to the barn supervisor or designated person, at the time the animals are being unloaded. Any animal showing signs of

infectious disease or deemed unhealthy by the fair appointed veterinarians, will be sent home. Health papers for dogs must be presented to the designated person before exhibitor numbers will be distributed. Any animal which does not have proof of required blood tests or vaccinations will not be allowed to be exhibited.

The use of common watering and feeding troughs is prohibited. "Common" means that animals that have been cared for on different premises prior to coming to the fairgrounds, are sharing the same food and/or water containers while at the fair.

11. All cattle – dairy and beef – **MUST** be polled or dehorned/descured prior to being shown at the Amherst and Rosholt Fairs.
12. The use of power washers on any animal is strictly prohibited on the fairgrounds.
13. **Clipping and grooming** of animal exhibits while on the fairgrounds should be done by the exhibitor, his or her immediate family, project leader, and/or other Portage County fair animal exhibitors. The exhibitor should be present and actively participating in the process. A designated fitting area will be determined by barn supervisors.
14. **Unmanageable animals** that pose a threat to the safety of exhibitors, fairgoers or other animals will be sent home.
15. The 4-H Extension staff reserves the right, in conjunction with the fair superintendents, to subdivide livestock showmanship lots into additional grade divisions if the number of animals in the show ring at one time could create an unsafe environment for the exhibitors and their animals.
16. **Judging** will be done by the Danish System with four placings – Blue, Red, White and Pink unless otherwise stated in the fairbook. Any exhibit which is not displayed according to the specific directions listed in the fair book will be lowered one placing. All judge's decisions are final. Refer to page 4 for additional information about judging methods.
17. **Amherst – There will be individual face-to-face judging for Cake Decorating. Exhibitors are expected to bring their cakes to the exhibit building during the posted time for judging.**
18. **Animal Judging Order**
Rosholt Fair - Classes for animal exhibits will be judged in the order that they appear in the Fair Book. Showmanship classes for animal projects will be the first class in the department to be judged.

Amherst Fair - Amherst Market Animal Project Judging Order – Market classes for large animal projects of swine, sheep and beef will be the first class in the department to

be judged followed by breeding classes and then showmanship last.

19. **All animal exhibitors** (including small animals such as cavy and birds) **MUST** present their animals to the judge except in championship classes and market animal classes. If exhibitors have two different animals being judged at the same time, they **MUST** make arrangements with the barn supervisor to have another **animal exhibitor** show the animals for them. Other family members who are **not** animal exhibitors may **not** show the animal.
20. **All animals shown at the fairs MUST be cared for humanely and have access to water, feed, and safe, comfortable housing. This is the responsibility of the exhibitor and any evidence of improper care will be cause for removal of the animal from the fair and forfeiture of premium money.** All small animal and livestock exhibitors must sign a Small Animal or Livestock Animal Care Agreement. (*Refer to sample on page 7 of this fairbook.*)
21. **Animal Bedding:** Sawdust/wood shaving will be provided by the fair association for all animal exhibits. Other bedding must be provided by the exhibitor at their own expense.
22. **Stalls/pens** for animal exhibits should be labeled with an exhibitor card (available at the fair) which lists the animal's breed, sex, age or date of birth, the name of exhibitor and organization that they represent. Signs listing farm names and "For Sale" signs may not be posted on the stalls/pens. Information about the sale of animals may only be posted in the area designated by the fair boards.
23. **Safety and Security:** The fair associations will take every reasonable precaution for the safety and security of the exhibits and exhibitors, but will not be held responsible for loss, damage, or accidents that may occur. **All exhibits are entered at exhibitor's risk.**
24. **Baked goods** (except gingerbread houses) and egg exhibits become the property of the Fair Association and are disposed of at the end of the fair with the exception of the decorated cakes that are sold during the cake auction.
25. **Milk produced by cattle on exhibit** at the Rosholt Fair is not fit for human consumption because the Fair Association does not have the facilities for keeping milk properly cooled.
26. **Removing exhibits** from the fair prior to the published release time may result in forfeiture of premiums. Exhibit is defined as the items described on the judge's sheet plus any ribbon and signs/labels required with the exhibit (see No. 21) and any decorations used in the club herdsmanship competition. Refer to Judging Schedules for dates and times that exhibits are released.

27. **Amherst & Rosholt Fair Exhibit Removal:** All non-perishable exhibits displayed in the youth exhibit building at the Amherst Fair must be removed by 6:00 p.m. Sunday. Rosholt Fair exhibits must be removed by 6 p.m. Monday. Any exhibit not removed by the deadline will be taken to the Portage County Extension Office and held for one month. After one month, any exhibits not picked up become the property of the Amherst or Rosholt Fair Associations and will be disposed of as deemed appropriate. If an exhibitor is unable to pick up their exhibits from either fair, they should make arrangements for someone else to pick up their exhibits.

28. **The Portage County Youth Exhibit Committee reserves the final and absolute right to interpret these rules and regulations, and to arbitrarily settle and determine all matters, questions, and differences connected with an incident related to junior fair exhibits.**

29. The Fair Boards reserve the right to change or eliminate premiums at any time.

THE DEPARTMENT NAMES, NUMBERS AND CLASS DIVISIONS, AND THE AMOUNT OF THE PREMIUM PAID FOR EACH EXHIBIT IS DICTATED BY THE WISCONSIN ADMINISTRATIVE CODE ATCP 160.

JUDGING METHOD DESCRIPTIONS

DANISH Judging Method:

This is the traditional system whereby all exhibits having the same lot number are presented simultaneously to the judge. The judge evaluates each exhibit but is only permitted to give a maximum of 25% of ribbons to each group (*blue, red, white & pink*). Exhibitors do not need to be present for this type of judging.

FACE-TO-FACE Judging Method:

This type of judging allows for more flexibility on the part of the judge and the exhibitor. Exhibitors bring their exhibits in to be judged and talk to the judge about the exhibits. Exhibits are *not* compared with other exhibits in the same lot number, but judged on their own merit. The judge may award the ribbon and premium which is appropriate without regard to Danish percentages.

Additional Information About FACE-TO-FACE Judging

What if an exhibitor cannot be present for their face-to-face judging. If the exhibitor is not present, there is no automatic penalty for the exhibitor. It is up to each judge to determine how the exhibitor's absence will affect the placing awarded.

General Face-to-Face Questions you may be asked

- What do you like most about your project?
- What do you like least about this project?
- What have you learned in this project?

- What would you like to learn more about in this project?
- Where did you get the idea for this exhibit? Who helped you?
- What was the easiest part of making this exhibit?
- What was the most difficult or challenging part?

CONFERENCE Judging Method:

In this modified judging method, all lot numbers will be judged together within each class. Judges will place articles according to the Danish System and offer general comments. Exhibitors will be notified of the approximate time projects will be judged so comments can be heard.

YOUTH EXHIBIT COMMITTEE

Committee Membership

- 4 FFA Advisors representing Amherst, Stevens Point, Almond and Rosholt Schools
- 4 FFA Youth selected by the FFA Advisors
- President and Vice President of the 4-H Leaders Association
- President and Vice President of the 4-H Teen Leader Association
- President of the Portage County Market Animal Committee
- 1 Amherst Fair Board Member
- 1 Rosholt Fair Board Member
- 1 Horse Leader
- 2 Exhibit Hall Superintendents appointed by the 4-H Leaders Association
- Amherst and Rosholt Fair Barn Supervisors for: Swine, Beef, Sheep, Poultry, Rabbits and Dairy

The purpose of the committee is as follows:

1. To interpret and enforce the rules and regulations contained in the Official Premium List for the Portage County Fairs.
2. To identify problems which occur during the fair and to make recommendations for resolving/preventing future problems.
3. To discuss and make recommendations for additions/changes which will improve the fairs.

This committee shall hold regular meetings a minimum of three times per year. The first meeting will be held prior to the Amherst Fair. The second meeting will be held between the Amherst and Rosholt Fairs and the third meeting will be held after the Rosholt Fair. Additional meetings may be held if deemed necessary. A committee chair will be elected at the first committee meeting held each year. The chair will be responsible for setting meeting dates, running meetings according to Roberts Rules of Order, appointing a committee member to handle committee correspondence and document meeting business, and appointing subcommittees if deemed necessary. A quorum of seven people is required for voting at the regular meetings.

When an immediate decision is required during the fair, a minimum of three committee members, one from the area of

conflict and at least two others from different areas, can be called together to resolve a conflict. Whenever possible, a youth will be included in this subcommittee. The members of this subcommittee cannot be related to the exhibitor.

CODE OF CONDUCT

Exhibitors are expected to behave in ways reasonably acceptable to the public. Exhibitors will:

- Follow the rules and regulations of the Portage County fairs.
- Behave in accordance with applicable federal, state and municipal law.
- Refrain from the consumption or possession of any alcoholic beverages, illegal drugs or tobacco products. No Exceptions.
- Refrain from sexual misconduct.
- Refrain from use of objectionable language (swearing).
- Respect public and personal property.

Any exhibitor violating the above rules (as determined by the Youth Exhibit Committee) may be subject to any or all of the following consequences listed below:

1. Notification of parent or guardian.
2. Exhibitor may be required to appear before the Youth Exhibit Committee or the Fair Board to explain his/her actions.
3. Removal of individual and his/her exhibits from the present year's fair. Any premium earned will be revoked.
4. Revocation of privilege to enter exhibits in future county fairs.

PORTAGE COUNTY FAIRS ANIMAL EXHIBITOR'S CODE OF ETHICS

Exhibitors of animals in horse, livestock, poultry and other small animal shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior exhibitors who compete in structured classes of competition.

By entering an animal for exhibition at the Portage County Fairs, the exhibitor consents to abide by the following guidelines:

1. All exhibitors must present, upon request of fair and show officials, proof of ownership, managerial agreement, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners and exhibitors shall provide animal health certificates from licensed veterinarians as required by the Animal Health Rules and Regulations of the Portage County Fairs.
3. Junior exhibitors are expected to care for and groom their animals while at the Portage County Fairs.

4. Animals which will enter the food chain must be free of drug residues or foreign substances. The act of entering an animal in a livestock show is the giving of consent by the owner/exhibitor, for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing.

Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal and state statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered affect the animal's performance or appearance at the event.

At any time after an animal arrives on the fair premises, all treatments involving use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any non-therapeutic substance used as a stimulant, depressant, tranquilizer or sedative for the purpose of altering an animal's behavior while the animal is on the fairgrounds, is prohibited. Failure to comply with this rule will result in the disqualification and immediate dismissal of the animal(s) from the fairgrounds."
6. Unethical fitting is prohibited and shall include any injection of gas, solid or liquid to alter the normal conformation. Treating the udder internally or externally with an irritant or other substance to artificially improve conformation is prohibited. Additionally any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance is prohibited. Attempts to disrupt or change normal dental development, dyeing or coloring hair, adding artificial tailheads, switches, polls, hair and heels as well as any attempt to change the conformation and degree of firmness by administration of fluids internally or externally in a liquid or solid state is prohibited. The use of clenbuterol is prohibited. Setting teats or manipulating a teat to alter its normal position such as to unnaturally hold it plumb or alter its length is prohibited. The Portage County Fairs reserve the right to disqualify any animal fitted in an unethical manner.
7. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
8. Direct criticism or interference with the judge, fair, or show management, other exhibitors, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their office duty, all judges, fair and show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct towards them.

9. No owner/exhibitor, shall conspire with another person or persons to intentionally violate this code of ethics.
10. The act of entering of an animal in the Portage County Fairs implies that the owner/exhibitor has read this Code of Ethics and agrees to abide by these provisions.

Adapted from IAFE "National Code of Show Ring Ethics", Wisconsin State Fair Ethics and modified by the Portage County Leaders Association on June 21, 2010.

AMHERST AND ROSHOLT FAIR ANIMAL CARE AGREEMENT FOR LIVESTOCK AND SMALL ANIMALS

Exhibitor Name _____
 Name of 4-H club or FFA program _____

Every youth showing livestock (cattle, swine, sheep, goats, alpaca), rabbits or poultry must turn in a signed copy of an **ANIMAL CARE AGREEMENT** form to their barn superintendent at the **AMHERST AND the ROSHOLT FAIRS**. Youth participating in the Market Animal sale will also need a copy of this form at weigh-off. This form needs to be signed by the exhibitor and their parent. No youth will be allowed to show their animals at either fair without submitting a signed Animal Care Agreement.

As active 4-H and FFA members, we need to be concerned about the image that we present to the general community, especially during the fairs. Due to the Fairs' visibility, requirements concerning the cleanliness and care of all animals needs to be observed.

- 1) All animals are on display as soon as the public can see them, so they need to be clean and presentable upon arrival at the fair.
- 2) Please check in with your barn superintendent or assistants prior to unloading for visual inspection of all species. Any animals with questionable health issues need to be held back for the official fair veterinarian to inspect.
- 3) Prior to unloading, required health documents must be provided to the barn superintendent. All poultry require an NPIP certificate, a DATCP issued certificate or paperwork certifying a negative pullorum-typhoid test result. A pink Certificate of Veterinary Inspection (CVI) is required for all swine.
- 4) All animals will be given FRESH water and food at least 2 times a day, once before 9 a.m. and once after 4 p.m. In addition, the animal pens/cages need to be checked throughout the day for feed, water, and overall cleanliness while the barns are open to the public. If this is impossible for you, you must find someone else to take care of your animals. If you cannot do this, we ask that you do not show animals

at the Amherst and Rosholt Fairs.

- 5) A warning system will be in place to document the time the superintendent notes actionable neglect. A BLUE sticker with the time noted will be affixed to the cage/ stall (swine, sheep, or goats), or tack area (cattle or alpacas) for the area that needs attention. A YELLOW sticker with the time noted will be affixed if the animal(s) need attention. Once the matter has been resolved, the superintendent will remove the sticker.
- 6) If an exhibitor fails to respond to the warning stickers within 2 hours, the barn superintendent will attempt to phone the exhibitor one time. If the exhibitor does not respond in a timely manner to take care of the animal(s) or neglects them a second time, he/she will be asked to remove ALL of his/her animals from the fairground premises. The only exception will be for swine that can move only to a terminal market. These swine will not be sold in the Market Animal Sale.
- 7) Once you are requested to remove your animals, which will happen in person or with a phone call, you will forfeit ALL premiums in the livestock or small animal categories, whatever categories your animals were exhibited in.
- 8) The final decision on removal of the animals will be made by a group of at least 3 people, all of whom are on the Youth Exhibit Committee, the Market Animal Committee or the applicable Fair Board (Rosholt or Amherst).
- 9) All cages/pens and surrounding area are to be cleaned at the end of the Fair when the animals are released. Failure to do so will result in the forfeiture of the animal class premiums.

We would appreciate everyone's cooperation in this matter. We want to continue to present a positive image of 4-H and FFA to those attending the Fairs.

REGULATIONS FOR STATE AID (ROSHOLT)

ATCP 160.01 Definitions. As used in this chapter:

- (1) "Breed class" and "breeding class" mean a specific breed within a class such as Holstein in the dairy class.
- (2) "Class" means a grouping in which exhibits may be entered, including an animal breed or age group for animal exhibits; a type of produce, crop or food; or a specific age, age group or educational grade level of exhibitor.
- (3) "Danish judging system" means a judging system that allows for multiple first, second, third and fourth class selections as provided in s. ATCP 160.91 (4) (b).
- (4) "Department" as it relates to the organizational structure of a fair, means an animal species, production group, or other principal classification of exhibits. As used in any other context, "department" means the state of Wisconsin department of agriculture, trade and consumer protection.
- (5) "Division" means one of 3 exhibitor group classifications for a fair and is limited to junior division, open division and senior citizens division.
- (6) "Entry class" means a class in which the fair allows exhibitors to submit entries.
- (7) "Exotic domestic animal" means an animal that is not a common farm animal.
- (8) "Lot" or "lot number" means the numerical designation assigned by a local fair for a specific category of exhibits within a class.
- (9) "Market class" means a class that includes animals of a certain weight for the breed class that can be sold for slaughter.
- (10) "Premium" means a monetary prize that a county or district fair awards to an exhibitor after judging all competing exhibits in the class to which the premium pertains.
- (11) "Regular judging system" means a judging system that allows for one first, second, third and fourth class selection as provided in s. ATCP 160.91 (4) (c).
- (12) "Self determined project" means a project that meets all of the following criteria:
 - (a) It is approved by the fair board.

(b) Its subject matter is related to any of the junior fair departments 9, 10, 13 to 16, 18, or 20 to 29.

(c) It does not fall into a defined entry class within any department.

(d) It is carried out by a 4-H member enrolled in a designated 4-H project or alternative project that follows 4-H guidelines, or by a member of another youth organization that does equivalent work.

ATCP 160.02 Premium requirements.

(1) GENERAL.

(a) The state aid authorized by s. 93.23 (1), Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.

(b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.

(c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.

(d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.

(e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.

(f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

(2) PREMIUM LISTS.

(a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3) (c).

(b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(c) Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.

(3) ENTRY FEES.

(a) A county or district fair may charge an exhibitor an entry fee. The entry fee may not exceed 10% of the sum of all

premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets.

(b) Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

(4) SPLIT FAIR DATES.

(a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit.

(c) The department may pay state aid for the following exhibits or contests in a fair having split dates, regardless of whether the department approves those split dates in advance:

1. Clothing revue.
2. Demonstrations.
3. Favorite foods revue.
4. Dogs.
5. Small animals.
6. Rocketry.
7. Shooting sports.
8. Other exhibits and contests that are similar to those identified in subsds. 1. to 7.

ATCP 160.03 Exhibition requirements. A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

(1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.

(2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department

with an affidavit that the exhibitor's residence is geographically located within the state.

(3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.04 (8).

(4) State aid may not be paid on exhibits removed from the fair grounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90.

ATCP 160.04 Junior fair division; general requirements.

(1) In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

(2) All exhibitors in the junior fair division shall be members of 4-H, FFA, FHA-HERO, Scouting programs, breed groups, or any other recognized youth organization under adult leadership and with an education program approved by the local fair.

(3) Exhibits in the junior fair shall be a result of the exhibitor's own labor and may include a study, merit, or other special project, a skill area or a supervised occupational experience in which the exhibitor is regularly enrolled.

(4) State aid may be used for the payment of no more than one premium awarded an exhibitor under any one premium or lot number in the junior fair division, except when awarded as part of a group in livestock exhibits or in showmanship.

(5) Premiums in the educational department shall be paid directly to the exhibitor who made the exhibit and not to the school or teacher, except for group premiums offered to inter-school competitive classes. No aid may be paid on education department premiums unless a complete list of exhibitors and a complete set of judges' sheets for the education department, similar to those required in other departments, is filed with the department. All educational exhibits shall be displayed at the fair regardless of whether they are judged prior to or at the fair.

(6) If 16 or more animals, items or articles are entered in any junior fair class, the class may be divided into 2 or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class.

(7) Special educational exhibits may [be] established if the proposal is presented to the Wisconsin association of fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.

(8) Within any junior fair department under subch. IV, a county or district fair may establish special classes where none are specified under subch. IV. Special classes may include classes for grade and crossbred females in the beef, swine, sheep and horse departments. Premiums for special classes created under this subsection shall be equal to premiums for comparable classes established in the same department under subch. IV.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; am. (8), Register, July, 1995, No. 475, eff. 8-1-95; am. (1), Register, November, 2000, No. 539, eff. 12-1-00; reprinted to correct printing error in (1), Register, June, 2001, No. 546.

ATCP 160.07 Classes; general requirements.

(1) Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department.

(2) (a) Except as provided under par. (b), no county or district fair may receive state aid for premiums awarded for sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses unless those animals are registered purebreds.

Registered purebred status shall be documented by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration. (b) Paragraph (a) does not apply to dairy cattle exhibited at a county or district fair if a national breed association certifies that those dairy cattle are recorded in that breed association's qualified herd book which records the genealogy of that breed.

(3) Any animal entered as part of a group class may also be exhibited in a class for individual animals.

(4) Boars may not be entered as an exhibit in the swine department unless their tusks have been removed.

History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; renum. and am. (2) to be (2) (a) and cr. (2) (b), Register, July, 1995, No. 475, eff. 8-1-95.

ATCP 160.91 Judging regulations. (1) Judging shall be done at county and district fairs by individuals who are registered with the department and who have knowledge, training or experience in the specific class or classes to be judged as determined by the department. Judging shall be done in accordance with the requirements of s. ATCP 160.92 (3) (a). In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.

(2) Each judge at a county or district fair shall be provided with a copy of the fair's premium book or list of entry classes at least 7 days prior to the opening date of the fair.

(3) No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.

(4) (a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments. (b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings shall be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first group, not more than 4 in the first 2 groups and not more than 6 in the first 3 groups. If there are 8 or more entries in the class, there shall not be more than 25% in the first group, not more than 50% in the first 2 groups, and not more than 75% in the first 3 groups. (c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.

(5) If any class of exhibits at a county or district fair is judged according to the regular system, the judges for that class may give only one first-place, one second-place, one third-place and one fourth-place award in that class.

2019 WISCONSIN STATE, COUNTY, AND DISTRICT FAIRS ANIMAL HEALTH RULES AND REGULATIONS

This is a summary of animal health requirements for fairs, shows and exhibitions only. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so you should always check our website at https://datcp.wi.gov/Pages/Programs_Services/FairsShowsSpecialEvents.aspx or contact us at (608) 224-4872 for current information. Ref. s. ATCP 10.87, Wis. Admin. Code

General Requirements for show organizers

All fairs or exhibitions of any length must obtain, review, and keep for five years all required records and test results:

- Exhibitor's name and address
- Animal identification (number, type, description)
- Documents showing compliance with disease testing, identification, and other health requirements
- Livestock premises number, if any, where animals originated
- If requested by the fair or show organizer, the documentation showing legal importation (if applicable) and movement to the event

Fairs or exhibitions lasting more than 24 hours

must appoint a licensed veterinarian to inspect all animals daily and review the above required records.

DISEASES

Animals that show evidence of having contagious or infectious diseases may not be commingled (or housed/kept) with other animals at a fair, show, or other

exhibition in such a way as to allow disease to spread. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving, or be subject to other action as would be necessary to control disease.

Bovine animals with ringworm, mange, warts or scab will be removed from the fair or exhibition premises, unless the veterinarian in charge finds warts or ringworm lesions are incapable of transmitting disease.

CATTLE AND BISON

Cattle from within Wisconsin have no requirements for tests or health documents.

Cattle from outside Wisconsin must:

- Be accompanied by certificate of veterinary inspection (CVI or health certificate) documenting official animal identification (ID) and all required tests and certifications
- Have at least one form of official individual ID (including steers)
- Meet all of Wisconsin's normal requirements for
- Import (see https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx)

Acceptable animal IDs for all cattle from outside Wisconsin

- USDA metal ear tag number that is part of the National Uniform Eartagging System (NUES) (starts with state 2-digit code, also known as "brite" tag); this includes the orange brucellosis vaccination tag
- 15-digit "840" tags (visual or RFID)
- Valid only if applied before March 11, 2015:
 - Manufacturer-coded RFID tag - 15-digit number with the first three digits in 900s
 - American ID tag – 8 to 12-digit number prefaced with "USA"

Brucellosis requirements for cattle from outside Wisconsin

No cattle from outside Wisconsin are currently required to be brucellosis tested or vaccinated to come to fairs and shows in Wisconsin **Tuberculosis (TB)**

requirements for cattle from outside Wisconsin

For requirements by state, see:

https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx

Cattle from Michigan's Modified Accredited Zone (for cattle from Michigan's TB Free Zone, see requirements by state above) also need:

- Import permit
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

For information on obtaining an import permit:

- Online
https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Cattle from Canada must meet current federal requirements to enter the United States. (See

https://www.aphis.usda.gov/regulations/vs/iregs/animals/downloads/pro_imp_cattle_bison_NOV_17.pdf)

Requirements are subject to change as conditions warrant.

SWINE

Swine from within Wisconsin need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate):

- Stating that the entire herd of origin was inspected on the farm within 30 days before the show and showed no signs of disease.
- **Non-terminal Exhibitions:** All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and PEDv (Porcine Epidemic Diarrhea virus) test of the herd of origin within 90 days of the exhibition. Include test date, type, and results on the CVI. For swine originating from herds with positive tests, include the herd plan number on the CVI.
- **Terminal Exhibitions:** No testing requirements.

Note: Terminal Exhibitions are those at which the swine go directly from the fair/show to the slaughtering establishment OR to a slaughter only market sale. If going to a slaughter only market sale, contact the Division of Animal Health fair inspector for required information to collect.

Swine from outside Wisconsin need a certificate of veterinary inspection that includes the following:

- The negative results of the PRRS test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- The negative results of the PEDv test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no clinical signs of PRRS and PEDv or any other apparent disease was present at the time of inspection
- Official individual identification (ID)
- If the herd of origin tests positive for PRRS and/or PEDv, contact the Department of Agriculture, Trade and Consumer Protection at 608-224-4872 for options.

Acceptable methods of ID for swine are:

- USDA silver ear tag
- USDA 840 ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and

the tattoo is registered

- An ear tag with the premises identification number and a unique identifier
- Ear notch if the pig is a purebred and the notch is registered

Requirements are subject to change as conditions warrant.

For current information and for PRRS and PEDv testing options, check

https://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx.

SHEEP AND GOATS

Note: These rules do not apply to non-domestic sheep and goats. For these animals see the section on Exotic ruminants.

Sheep and goats from within Wisconsin need:

- If sexually intact, need official individual identification (ID) at any age
- If not sexually intact, need official individual ID if they are 12 months or older
- Official ID includes scrapie ear tags or tattoos, USDA 840 ear tag, approved microchips if a reader is available and if accompanied by breed registration papers in the owner's name, or breed association tattoo if accompanied by registration papers in the owner's name
- Cannot be under restriction for movement to fairs and shows

Sheep and goats from outside Wisconsin need:

- Certificate of veterinary inspection (CVI or health certificate) and official individual ID: scrapie ear tags or tattoos, USDA 840 ear tag, approved microchips if a reader is available and if accompanied by breed registration papers in the owner's name, or breed association tattoo if accompanied by registration papers in the owner's name

Goats from Michigan's Tuberculosis (TB) Modified Accredited Zone also need:

- Import permit
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

- Call 608-224-4872 Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/SheepGoatMovement.aspx.

EQUINE

Equine animals from within Wisconsin need

documentation of a negative EIA test done within the previous 12 months, which clearly identifies the animal by complete description, digital photographs, or an approved microchip (if a reader is available). No test is needed for nursing foals accompanying negative dams.

Documentation may be:

- Official test report VS 10-11, or
- USDA-approved electronic test form, or
- Global Vet Link EIA electronic form, or
- Certificate of veterinary inspection with the test results listed

Equine animals from outside Wisconsin need:

- Certificate of veterinary inspection (CVI or health certificate) which clearly identifies the animal by complete description, digital photographs, or an approved microchip
- Negative EIA test done within previous 12 months that is reported on the CVI
- No EIA test is needed for nursing foals accompanying negative dams

Equines from Minnesota are exempt from the CVI requirement if:

- Ownership does not change while the animal is in Wisconsin
- The animal remains in Wisconsin no longer than 7 days
- Proof of a negative EIA test in previous 12 months accompanies the animal

Requirements are subject to change as conditions warrant.

For current information, check

https://datcp.wi.gov/Pages/Programs_Services/HorseOtherEquineMvmt.aspx

SOUTH AMERICAN CAMELIDS: LLAMAS, ALPACAS, GUANCOS, VICUNAS

South American camelids from within Wisconsin have no requirements.

South American camelids from outside Wisconsin must have a certificate of veterinary inspection (CVI or health certificate) and official individual identification (ID).

Official ID may be:

- Approved USDA ear tag number
- Microchip number
- Breed association registration number
- Breed association tattoo Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/LlamaAlpacaMovement.aspx.

EXOTIC RUMINANTS

Note: Exotic ruminants are ruminants that are not native to Wisconsin, and are not cervids – for example, Old World camels, yaks, water buffalo, pronghorn antelope, giraffes, and non-domestic sheep and goats. In addition, please

contact your county and local municipality for any restrictions.

Exotic ruminants from within Wisconsin have no requirements.

Exotic ruminants from outside Wisconsin must have

- Certificate of veterinary inspection (CVI or health certificate)
- Official individual identification (ID) (one of the following): Approved USDA ear tag number, Microchip number, Breed association registration number, Breed association tattoo
- Import permit
- Proof written on the CVI that they meet requirements for:
 - Tuberculosis (TB) – negative test required within 60 days before entry
 - Brucellosis – negative test required within 30 days before entry Please call 608-224-4872 beforehand to determine which TB test to use.

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872

Requirements are subject to change as conditions warrant.

For current information, check

https://datcp.wi.gov/Pages/Programs_Services/ExoticSpeciesMvmt.aspx.

POULTRY AND WATERFOWL

(Pigeons are not considered poultry for fairs and shows)

Poultry and waterfowl from within Wisconsin need:

- A NPIP certificate stating that the birds originate from a US pullorum-typhoid clean or NPIP affiliate flock and turkeys must test negative for Mycoplasma gallisepticum, or
- A DATCP-issued certificate stating they are from a Wisconsin Tested or Associate Flock and turkeys must test negative for Mycoplasma gallisepticum or
- Individually test sexually mature birds within 90 days before arrival at the show. These birds also need wing or leg band identification (ID). All birds must test negative for pullorum-typhoid, and turkeys must test negative for Mycoplasma gallisepticum.

Poultry and waterfowl from outside Wisconsin need a certificate of veterinary inspection or equivalent (such as form VS 9-3) that states:

- They originate from a flock classified pullorum-typhoid clean under NPIP or an equivalent state program and turkeys must test negative for Mycoplasma gallisepticum, or
- If they are sexually mature, that they have tested negative for pullorum-typhoid (and Mycoplasma gallisepticum for turkeys) within 90 days before arrival at the show. These birds also need wing or leg band ID. Not required:
- Import permit number

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PoultryMovement.aspx.

SMALL ANIMALS: Dogs, domestic cats, and other household pets (ferrets, pet birds, rabbits, gerbils, guinea pigs, hamsters, domestic mice and rats)

Note: For animals that are part of menageries, see also rules below for menageries. Pot-bellied and miniature pigs fall under rules for swine. Dog hybrids, domestic cat hybrids, or exotic small cat species such as servals fall under rules for Exotic small animals. Native wild animals and birds, including raptors, and captive wild animals such as raccoons, opossums, and skunks fall under rules for wild animals.

Dogs from within Wisconsin that are 5 months or older need proof of current rabies vaccination.

Cats and other household pets from within Wisconsin have no requirements.

Dogs and cats from outside Wisconsin that are 5 months or older need to be vaccinated for rabies by a licensed veterinarian, and regardless of age, need certificates of veterinary inspection (CVIs or health certificates) stating the age of the animal and for animals 5 months and older the date of last rabies vaccination and revaccination due date.

Other household pets from outside Wisconsin need certificates of veterinary inspection (CVIs or health certificates) but have no testing or vaccination requirements.

Small animals from other nations need to meet requirements of the U.S. Department of Agriculture (608-662-0600) and Centers for Disease Control (1-800-232-4636).

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PetMovement.aspx.

EXOTIC SMALL ANIMALS (any species not covered by "small animals" above), exotic large animals, and other wild animals

Note: Local jurisdictions may have requirements beyond the state requirements listed here.

Animals from within Wisconsin do not have any requirements as long as they are legally possessed in Wisconsin.

Animals from outside Wisconsin generally have no testing or vaccination requirements, but do need:

- Certificate of veterinary inspection (CVI or health certificate)
- Import permit number

Note: Some animals may not be brought to Wisconsin. These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice. Some animals may require permits from the Wisconsin

Department of Natural Resources. See <http://dnr.wi.gov>.

- Email DATCPAnimalImports@wi.gov
- Call 608-224-4872 Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/PetMovement.aspx.

CIRCUS, RODEO, RACING AND MENAGERIE ANIMALS

Note: Local jurisdictions may have requirements beyond the state requirements listed here.

Animals from within Wisconsin must meet vaccination and testing requirements for their species. See these requirements earlier in this document.

Animals from outside Wisconsin need certificates of veterinary inspection (CVIs or health certificates) and vaccinations, identification, and tests required for their species. See these requirements earlier in this document.

They also need import permit numbers if they are:

- Circuses and individual circus acts
- Rodeo stock other than individual participants' horses
- Multi-species menageries (defined as any animals kept in a collection primarily for purposes of exhibition or competition)
- Petting zoos

They do not need import permit numbers if they are:

- Rodeo horses owned by individual participants
- Single-species groups

Note: Some animals may not be brought to Wisconsin. These are North American prairie dogs and the following African species: tree squirrels, rope squirrels, dormice, Gambian giant pouched rats, brush-tailed porcupines and striped mice. Some animals may require permits from the Department of Natural Resources. See <https://dnr.wi.gov/topic/wildlifehabitat/captive.html>

GUIDELINES FOR HOUSING AND MANAGING ANIMALS

The State Veterinarian recommends that exhibitors:

- Vaccinate breeding cattle against bovine viral diarrhea (BVD) at least 30 days before the event
- Test cattle for BVD-PI by immunoperoxidase test, and

- bring them to shows only if they test negative
- Test cattle for Johne’s disease by ELISA test, and bring them to shows only if they test negative
- Clean and disinfect vehicles used to transport animals to and from the show, and vehicles used on the grounds before, during, and after the show
- Isolate exhibited animals returning to their farms or animals purchased at the show for 21 days before mingling them with other stock

The State Veterinarian recommends that show organizers:

- House cattle separately from South American

camelids and other exotic ruminants

- House cattle separately from small ruminants, especially sheep
- House ostriches, emus, rheas and cassowaries separately from domestic poultry
- House swine separately from any other mammals
- Include a space for the premises registration code on livestock entry forms
- Provide hand-washing stations near all livestock facilities
- Provide individual watering and feeding troughs rather than common ones

Definitions:

HORSELESS HORSE EXHIBITOR is an exhibitor that does not own, lease or manage a horse/pony. Exhibitor has been matched with a 4-H horse project leader or member and has been working with the horse/pony for a minimum of 3 months prior to the fair.

ENTRY RULES

1. No stallions over one year of age may be shown.
2. Horse/Pony may be owned, leased, or managed. Refer to page 3 for definitions of "owned" and "managed".
3. No exhibitor may exhibit more than 2 horse/pony project animals. (Only one may be managerial).
4. Members of the same family may use the same horse/pony, but the shared project animal may not compete against itself in the pleasure and trail classes.

5. Ponies can only be shown in the pony classes. Pony is 56" and under.
6. Miniatures: We recognize that miniatures are a horse breed, but for safety reasons they must enter pony classes in this show.
7. Horseless Horse exhibitors may only enter Horseless Horse Showmanship and Walk/Trot Horsemanship and Equitation classes.
8. **Exhibitors who sign up for Walk/Trot classes may not enter any horse or pony in any canter classes.** This class may not be used by an experienced rider to show an inexperienced horse.

SHOW RULES

1. Horses and ponies will be brought to the fairgrounds on judging day and taken home after judging is completed.
2. Only the exhibitor is allowed to ride, lung, or drive their horse/pony. Back tags will be worn at all times while mounted on a horse/pony or driving a cart.
3. An adult may assist with the tacking up and grooming of the project animal, but the exhibitor must be present. No professional trainers or grooms are allowed to work with/coach exhibitors while on the fairgrounds.
4. All exhibitors must wear boots with heels while riding or driving.
5. SEI approved safety helmets, with chin strap fastened, must be worn by all exhibitors while they are mounted or driving on the show grounds.
6. Bareback riding or riding with a halter are not allowed.
7. Exhibitors must follow the rules in the 4-H Horse Project Equestrian Guidelines.
8. Cruelty or abuse of a horse or pony will not be tolerated. An exhibitor may, at the discretion of the judge, be disqualified from further exhibition of ANY mount for the remainder of the show.
9. No one on the rail is allowed to provide verbal or non-verbal coaching to the exhibitor once they enter the ring.
10. Showmanship, Horsemanship, Equitation and Reinsmanship classes will be judged using the Danish System and premiums and ribbons will be awarded to all groups. Halter, Pleasure or Trail classes will be judged using the Danish System with ribbons to all groups but premiums will be awarded on a regular judging basis. (Premium to the first four animals.) **You will only be paid premiums for your top two classes: One premium from Halter, Pleasure or Trail and one premium from Showmanship, Horsemanship, Equitation or Reinsmanship.**

Dept. 7-J exhibitors may also exhibit in Department 10-J, Class B – Animal Exhibits Without Live Animals.

All poultry and waterfowl exhibits must meet the state health regulations listed in this fair book under 2019 Wisconsin County, District and State Fairs Animal Health Rules and Regulations. At the time of this fair book printing, the current requirements for poultry and waterfowl are:

Poultry and waterfowl that originate from flocks within Wisconsin need:

- **An NPIP certificate** stating that they originate from a US. pullorum-typhoid clean or NPIP affiliate flock, **or**
- **A DATCP-issued certificate** stating they are from a Wisconsin tested or associate flock, **or**
- If they are **sexually mature**, individual wing or leg band ID and a negative test for pullorum-typhoid (and *Mycoplasma gallisepticum* for turkeys) within 90 days before arrival at the show

Sexually mature birds are 4 months of age for all poultry except turkeys which must be at least 6 months of age.

Poultry that have been tested must be accompanied by a **Wisconsin Individual Poultry Test Report**. Individual identification must be included on the test report. Failure to present proof of required paperwork and/or required health test will result in immediate dismissal from the fairgrounds.

Birds which do not originate from a certified flock and are not sexually mature may not be tested therefore they may not be exhibited at the fair.

The Wisconsin County, District and State Fairs Animal Health Rules and Regulations may change if animal diseases occur in Wisconsin or elsewhere, so you should always check https://datcp.wi.gov/Pages/Programs_Services/FairsShowsSpecialEvents.aspx for current information.

Refer to:

https://datcp.wi.gov/Pages/Programs_Services/BackyardChickens.aspx for frequently asked questions about the poultry and waterfowl health rules and regulations.

All Poultry must have a leg or wing band for identification.

CLASS D - CLOTHING REVUE

Clothing Revue is a part of the 4-H clothing project and all clothing project members and Explorers, even if Clothing was not a second project, should participate. Clothing Revue is held prior to the fairs. Entries will be judged on (a) suitability of the garment for the individual and its purpose; (b) general appearance, neatness, posture, fit; (c) construction to the extent that it affects general appearance.

Cloverbuds are invited to model items they have made or purchased. They will not receive a premium but will receive a participation ribbon. They may register the day of the Clothing Revue.

Each member may enter one constructed garment class (two if one is for another individual) and one purchased garment class.

Members entering a purchased garment must submit a Consumer Buying Information sheet with that entry. Information forms are sent to Clothing project members prior to the Clothing Revue.

Youth no longer need to qualify through a County Clothing Revue to participate in the State Fair Clothing Revue. Any member 12 and older at the time of the State Fair is eligible to participate in the State Fair Clothing Revue. Members who anticipate that they may be eligible for State Fair must submit an application by June 1st. (See the Wisconsin State Fair Youth Expo website for detailed information and application forms.) At the time of the County Clothing Revue up to 2 members exhibiting may be chosen to have financial support from the Portage County 4-H Leader's Association for their trip to State Fair.
